The candidate committee has indicated that aggregate contributions and aggregate expenditures for the election period will total \$1,000 or less. Therefore, pursuant to HRS section 11-339, the candidate committee shall electronically file only a final election period report and supplemental reports until the candidate committee's registration is terminated as provided in HRS section 11-326, and need not file a preliminary and final primary report, a preliminary and final general report, or a special election report. The candidate committee also understands that if it exceeds the \$1,000 threshold at any time during the election period, it must electronically file all disclosure reports as required by HRS section 11-334.
